ELECT ALL BUT 3 OF DEMOCRATIC TICKET

Lose Only Offices of State Representative, Probate Court And One Seat in County Court—Booher Back to Congress

WILLIAM BLACKFORD IS HEAD OF COUNTY COURT DESPITE FIGHT

Republican Opponent Loses Regardless of Aid—Henry Westfall Leads Ticket With Fred Yeomans, Dan Baker And William Sawyers Following

The Democratic ticket in Nodaway county was elected in yesterday's general election, with the exception of Jesse F. Robertson for probate judge, Arthur Robey for representative and John Campbell for judge of the county court of the north district. Robey may, however, land the office of representative when the official count is taken, as Charles Hyslop, Republican, leads by only nine votes in the unofficial returns.

The action of the "absent" voters also must be reckoned with. With this one exception the fate of the other candidates as given in the unofficial returns is practically assured. The count of the "absent" and "home" votes will be made by the county court the latter part of the week.

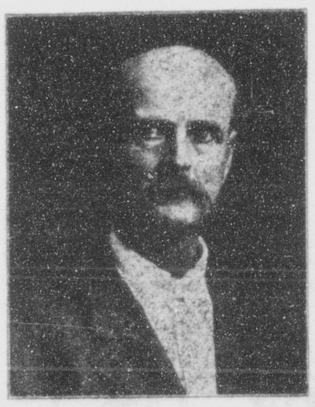
Dan Baker Leads.

Dan R. Baker, Democratic candidate for recorder of deeds had a majority of 670 over J. Arthur Wray, Republican. The big Baker vote came from all over the county, but particularly from his home township and where he was best known.

Fred J. Yeomans, Democratic candidate for county clerk, was high on that ticket, his majority being 663 votes ahead of C. G. McMillen Republican.

W. G. Sawyers, Democratic candidate for prosecuting attorney, was 656 votes ahead of W. H. Crawford, Republican.

Henry Westfall led his Republican opponent, L. S. Mendenhall, for clerk of the circuit court by a majority of



WILLIAM BLACKFORD.

941, which makes him high man on the ticket. Probate Judge W. H. Conn led the Democratic candidate, Jesse F. Robertson, by a majority of 155 votes.

William Blackford, Democratic candidate for presiding judge of the county court, went ahead of his Republican opponent, W. O. Garrett, by 109 votes. In this office is where the Republican fight was concentrated throughout the campaign.

The race was close in some precincts, but Blackford gained a lead early in the returns that came in which Garrett could not overcome. Hopkins township, the last to be announced, did cut down Blackford's majority, however, from 172 to 109.

The election of Matt Farnan as county county judge of the south district will keep that court Democratic, despite the fact that E. T. Bailey defeated the Democratic candidate, John Campbell, by 124 votes. Farnan got a majority of 256 votes over Jesse Spoonemore, Republican.

Booher is Returned.

Charles F. Booher of Savannah, Democratic candidate for representative in congress, carried Nodaway county by 113 votes over M. E. Otis, Republican.

According to the returns available this afternoon, Booher has been re-elected to congress from this, the fourth district, by a plurality of about 3,000. He has carried Atchison county by 32, Nodaway county by 113, Platte by about 1,100 and Buchanan, it is said, by 2,200. Otis carried Holt county by 330 and Andrew county by 65. The Democratic vote was light as compared with two years ago, especially in Platte county, where it is reported many Democrats failed to vote at all. In Nodaway county the vote stood: For Booher, 3,100; Otis, 2,987; Sisson, 221. The Progressive vote throughout the district was small.

Will Make Six Changes.

William J. Stone, Democratic candidate for re-election to the United States senate, carried this county by 304 votes over T. J. Akins, and gained over the state by a large majority, by all indications. The total vote cast for U. S. senatorial candidates in this county was 6,295.

Indications are that the entire Democratic state ticket has been elected in Missouri.

The Progressive vote in the county ran over 200. John Sewell, candidate on that ticket for representative, led with a vote of 544. His big vote came from Hughes and Nodaway townships and Maryville. Fred P. Robinson, Progressive candidate for prosecuting attorney, for 276, and Miss Jessie Parcher, for recorder, received 266 votes.

Yesterday's election results will cause six changes in county offices here next January.

ELECTION RETURNS TO MANY

Good-Natured, Crowd, Largely Democratic, Enjoy Democrat-Forum Service.

It was a happy go-easy yet awfully interested crowd that jammed the circuit court room of the court house last night to hear the election returns of city, county and state and country given by the Democrat-Forum. The audience was fully two-thirds Democratic too. It was indicated by the manner in which they received any returns favorable to that party's candidates.

Unusually good service was furnished during the night, the first returns from three precincts coming in just a few minutes after the polls were closed at 6 o'clock. They kept coming in a steady stream from over the county, state and from the east until 11 o'clock. At that hour, all but one of the county precincts had been heard from, and most of the crowd had dispersed.

Hopkins, the tail-end precinct, did not get in until about midnight.

While the crowd consisted almost altogether of men, there was a sprinkling of women and girls, who stayed through the evening or until late when it was announced that all precincts but Hopkins had been heard from.

It was a diligent bunch that worked together the election returns. With the able cooperation of the election judges in the various precincts, it was possible to get quick service at the court house. There a corps of able men a dozen worked over ballots and statistical cards in an effort to give the results right off the bat. To one especially belongs credit, that being G. B. Ellison, who throughout the evening kept the county totals and returns as they came in precinct by precinct.

The Democrat-Forum also furnished the election results to the Empire theater crowd last night. As the returns came in through its special wires at the court house, they would be telephoned to the theater, there placed on slides and the result depicted on the motion screen. The audience was interested and showed it with cheers and whoops as the returns pleased.

Many stayed after seeing the pictures and until the last returns came in from over Nodaway county. A number of much appreciated compliments for the Democrat-Forum's initative and accommodation were heard from the court house and Empire theater crowds.

FEW PROGRESSIVES

COUNTY ELECTION SHOWS NEW PARTY WEAKENS HERE.

WHERE DID THEY GO?

Indicates Many Bull Moosers Turn to Democrats—Active Campaign and 16 Propositions Bring Out Voters

The voters of Nodaway county turned out in almost full force in yesterday's general election, through the fact that it was a fine day and that an active campaign had been made by the various political candidates. A great amount of interest was shown in every one of the twenty-three precincts, considering that it was not a national election. The women also took considerable interest, especially in Maryville, largely on account of the submission of the proposed equal suffrage and county unit amendments.

A good indication of the turn out in the election yesterday as compared to the election two years ago, which was national, is shown by the following votes for candidates for superintendent of schools, where voters are wont to "vote 'er straight." In 1910, Gass, Republican, too 3,136, while yesterday the same candidates got 3,226 and 2,882 votes respectively. This makes a total vote for the two leading parties four years ago 6,466, while yesterday it was 6,108. Counting in the votes of minor party candidates, the Democrat, got 3,330 votes and Evans, total last year was brought to 6,567 and this year to about 6,200.

Not Progressives' Fault.

Yesterday's election in Nodaway county showed conclusively that it was not the division of votes between Republican and Progressive candidates that caused the defeat of all but three of the G. O. P. county candidates. In some precincts the Bull Moose vote probably did cut down the Republican candidate's total, but in no case did it directly cause the defeat of any Republican candidate.

The result yesterday also showed how much the Progressive party has diminished in strength in Nodaway county since the election two years ago, when it first came into existence. Whether the "black-sliders" returned to the G. O. P. folds or to the Democrats is a question.

To Rescue of Townships.

Other propositions which proved a great incentive for the voters to cast their lone vote yesterday, were the plans to abolish township organization in Nodaway county, and the proposed state amendments for a county unit law, to grant woman's suffrage and to provide for a full crew on railroad trains.

The proposition to abolish township organization particularly brought out many of the voters, who were determined to do their best to see such a plan turned down—and they succeeded, the results show by a big majority.

The upholding of the county unit law in this county was the big event to the women and "dry" workers, although the vote relative to suffrage for women also attracted the attention of many.

There was little or no disorder as a result of the election reported to the sheriff's office or to the city police force yesterday. There were several heated arguments through the day and a goodly number of small friendly wagers made on the election results over the county, but these passed off without the necessity of calling in peace promoters in any instance.

Voters "Scratched" Tickets.

One surprise to many was the fact that so many party ballots were "scratched." Considering the increased trouble this election in voting a "mixed" ticket, and the close party lines attempted by the political leaders and candidates, it was not expected the "scratched" tickets would be so evident as heretofore.

The result everywhere showed the lack of foundation for the belief. In the third ward of Maryville yesterday morning, all but one of the first twenty-five ballots cast were "scratched".

The vote on amendment propositions also showed a more than anticipated interest and study by the voters relative to the virtues or faults of the fifteen. Nearly all voted on Nos. 9, 10 and 13, and many did on others.

COUNTY UNIT WINS

NODAWAY ALSO FOR EQUAL SUFFRAGE AND TOWNSHIPS.

OPPOSE CHANGE 7 TO 1

Maryville Vote Large for Liquor Amendment—Against Woman's Rights.

Nodaway county voters gave a majority to the county unit and woman's suffrage amendments and favored township organization in yesterday's election. The big majority came in the denunciation of the plan to abolish township organization in this county.

Of the twenty-one precincts heard from relative to the township proposition, a total vote of 4,371 was cast for and only 753 were against the present arrangement. Polk township which is was argued, would favor the abolishment of townships, if any township did, gave a large majority for the present organization.

In the vote on the tenth proposed amendment, relative to the county unit law, a majority of 1,482 votes were cast in twenty precincts heard from, while the thirteenth amendment, relating to woman's suffrage, won by a majority of only fifty-one votes in Nodaway county. Maryville as a whole voted against the granting of equal rights to women, the proposition losing in this city by 146 votes.

Maryville voters did themselves proud in the vote on county unit however, by presenting the "dry" workers with a handsome majority of 443. The total vote in the four wards for county unit was 919 and against was 476 votes.

That Nodaway voters studied the amendments is shown by the fact that in the twenty precincts reporting, the other thirteen proposed state amendments submited at yesterday's election, lost by a big majority. Reports from over the state, coming in this afternoon, indicate that all of the amendments have been defeated.

The indications are that the rural population voted for county unit and woman's suffrage in most instances but were snowed under by the city vote.

The precincts reporting voted as follows relative to county unit, woman's suffrage and township organization:

A HAPPY CHILD IN JUST A FEW HOURS

When Cross, Constipated or if Feverish Give "California Syrup of Figs," Then Don't Worry.

Mothers can rest easy after giving "California Syrup of Figs," because in a few hours all the clogged-up waste, sour bile and fermenting food gently moves out of the bowels, and you have a well playful child again. Children simply will not take the time from play to empty their bowels, and they become tightly packed, liver gets sluggish and stomach disordered.

When cross, feverish, restless, see if tongue is coated, then give this delicious "fruit laxative." Children love it, and it can not cause injury. No difference what ails your little one—if full of cold, or sore throat, diarrhoea, stomach-ache, bad breath, remember, a gentle "inside cleansing" should always be the first treatment given. Full directions for babies, children of all ages and grown-ups are printed on each bottle.

Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," then look carefully and see that it is made by the "California Fig Syrup Company." We make no smaller size. Hand back with contempt any other fig syrup.

Do not try to make that old overcoat "Do" another winter. Give it to some poor fellow who needs one one and buy yourself a new one.

Look better and you will do better. We bought a long line of Overcoats and can suit and fit you. We put a short price on them to sell them fast.

We can also sell you that suit you need and everything you need to wear from your hat down.

TWO ACCIDENTS ONE TRIP

Auto Victims Had Another Mishap in Iowa— Law Violation is Charged.

That Larry Weaver and Robert Graham, the two young men who were injured in an automobile accident between Burlington Junction and Wilcox, Monday morning, had two accidents on the one trip and that they were fleeing to escape arrest for alleged law violation, is the information that comes from Shenandoah, Iowa, their present home. Graham, the most seriously injured of the two, is still in St. Francis hospital. He was reported improved this morning however. It is believed he will be able to return home soon.

According to the Shenandoah information, the two fled from that city Sunday afternoon after a citizen there had sworn out a warrant charging them with having operated the car at a high rate of speed through the residence section there without lights. They also are alleged to have stolen the car.

The first accident occurred just west of Coburg, Iowa, when it left the road and turned turtle in the ditch by the side of the highway. Weaver only was injured in this accident. It is said they then abandoned this car and went to Red Oak, Iowa, where Weaver secured his father's car and started for Maryville.

BEGIN FARMERS' COURSE.

Two-Year State College School Opens With Improved Offering.

The first term of the two-year winter course in agriculture given to farmers, their wives and daughters by the college of agriculture of the University of Missouri began yesterday. For men this is a course in better farming; for women it is a course in better housekeeping. Anybody more than 16 years old may attend. The first term of the course ends December 18.

The schedule is arranged so that the student may select the subjects most interesting to him. For men these include a study of animal, dairy and poultry husbandry farm crops, horticulture, insects, soils, shop work, animal diseases and slaughtering and curing. Women take up a study of what to eat, how to prepare and plan meals, hygiene, dressmaking, millinery, care of the sick, poultry raising, butter making and handicraft. The total cost for the term is about $55.

This is the seventeenth year that the college of agriculture has offered a short course in agriculture for farmers. Its courses have during this time grown in popularity so that last year the enrollment reached 329. This year a much larger number is expected to attend.

In addition to the value of the course of study the young men of the state enjoy the social life with others of like mind and ideals from all over the state.

A new course will be offered this year in farm construction methods. This course will deal chiefly with concrete construction.

The course in soils for second year students will be improved. The work in soils will include much more laboratory work than formerly.

"A DEMOCRAT-FORUM."

Small Boy Knows a Good Thing and Tells It.

Harlan, the 5-year-old son of Mr. and Mrs. Delmar Strong, has some pronounced ideas as to his own standing in the world.

"Neither one," emphatically answered Master Harlan, "I'm a Democrat-Forum."

FOR CHILD-WELFARE CIRCLES.

State Organizer Explains Purpose of Auxiliary to Parent-Teachers' Association.

Mrs. J. C. Ewing, No. 403 West Third street, state organizer of the Child-Welfare Circles, which has as its direct object the study of child culture, is arranging to form one or more of the "circles" in Maryville within the next few months. It is the second of a series of organizations the Congress of Mothers has launched, the first being the Parent-Teachers' associations, which have spread throughout the country.

The desire for further study of the child's culture in the home led to the organization of Child Welfare Circles in homes, churches and schools. It plans to promote the welfare of children, to increase the co-operation between parents and teachers and to enable the mothers to study and discuss the child question intelligently, and thus solve the home and school problems.

GERMANS ABANDON THE BELGIAN COAST

Kaiser's Forces Are Letting Up on Attacks Near Calais.

London, Nov. 4.—That the German army has abandoned its attempt to hack its way along the Belgian coast to Calais is agreed by all reports.

A combination of inundated country, the remnant of the Belgian army under King Albert and the activity of the British warships seemingly all contributed toward ending the costly struggle.

A Berlin official report attributes the failure of the Germans entirely to the flooded state of the country, where the water in places is over a man's head; but it declares that the army of Emperor William withdrew in good order and without losses.

After nearly three weeks of desperate fighting the brunt of the attack has now shifted to the Ypres region, where the English army of Field Marshal Sir John French, reinforced by Indians and territorials, apparently must meet another onslaught. On the scene of this contemplated battle, according to reports, Emperor William has gone to give encouragement to his men by his presence.

A state of war exists between Turkey on the one side and Russia, Great Britain and Servia on the other, yet the Ottoman government appears as a house divided against itself, one seemingly being desirous of war, while the conservatives are trying to smooth over the situation arising from the attacks upon Russian ports and ships by Turkish war vessels directed by German officers.

MISSOURI WOMAN IS WELL AND HAPPY AFTER HEALTH MIRACLE

She Leads Active Life in Country After Recovery by Using Remarkable Remedy.

Mrs. J. B. Trullinger of Norborne, Mo., was ill for months with derangements of the digestive tract. She suffered terrible pain and was seldom able to be about.

She took Mayr's Wonderful Stomach Remedy with results that most happily surprised her and astonished her physician.

Mrs. Trullinger lives out on rural route 1, out of Norborne, and leads an active country life. She writes:

"I take great pleasure in telling you what Mayr's Wonderful Stomach Remedy has done for me. When I wrote you last March I was hardly able to be up at all. I endured awful suffering. I would get so bad I would become unconscious, and the nauseating spells I had would leave me as weak as if I had a long spell of sickness nearly as bad as typhoid.

"Words cannot express the appreciation I have for your medicine. I am now able to work all day long. All this summer and fall I have felt just fine, gaining in strength and flesh."

Just such happy stories are told by thousands who write after taking Mayr's Wonderful Stomach Remedy. The first dose convinces.

We want all people who have chronic stomach trouble or constipation, no matter of how long standing, to try one dose of Mayr's Wonderful Stomach Remedy—one dose will convince you. This is the medicine so many of our people have been taking with surprising results. The most thorough system cleanser ever sold. TO AVOID CATARRH OR BREAK UP A COLD

Use Hyomei, a Simple Remedy That Instantly Relieves.

At the first symptom of catarrh such as sniffles, fits of sneezing, raising of mucus, itching of the nose, or that choked-up feeling, surely take immediate steps to conquer the disease. Catarrh is not only distressing, unclean and annoying, but a serious ailment.

One of the easiest and simplest remedies to check catarrh and break up a cold is Hyomei. Just put a few drops of this antiseptic and healing liquid into the small inhaler that comes with every complete outfit, and breathe it. This medicated air immediately soothes the inflamed tissues and effectively drives out the poison. Just a few minutes use of this most helpful remedy opens the stuffed air passages, clears the head and throat of the unclean discharges—you breathe freely and immediately feel better.

Hyomei is so certain to relieve and give lasting benefit that the Orear-Henry Drug Co. sells it on the "No-cure-no-pay" plan.

To Give Social.

The Barnard school will give a box and pie supper at the McFay theater building Friday evening. The pupils will also furnish a literary and musical program.

ROGER SULLIVAN IS ELECTED SENATOR

"Uncle Joe" Cannon and McKinley Both Come Back.

Chicago, Nov. 4.—Roger Sullivan (Dem.) won the race for senator over Sherman (Rep.) and Robbins (Prog.).

The returns indicate that McKinley (Rep.) will have a plurality of 1,509 in Champaign county for congressman from the Nineteenth district.
